*A check covering the balance due the town is enclosed.

The labor situation did not permit undertaking the town cooperative project until the summer was well advanced. The arrival of fall, with its customary frosts, caused the currant and gooseberry bushes to lose their leaves, thus making their identification difficult. Moreover, since the person supervising the work in Exeter and neighboring towns was paid from federal funds and it was not possible to employ him after September 30th, all blister rust control activities had to be curtailed at that time.

It is suggested that this balance be reserved for the continuance of the blister rust project during the coming season.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Kingston:

I herewith present my tenth annual report, as Superintendent of the Kingston Schools.

TEACHING STAFF

Below is the list of the teachers for this school year:

Name	Trained at	Exper.
Mrs. Alice Allard	Plymouth '25	11
Charlotte Goodwin	Gorham '29	7
Edna Grierson	Keene '35	1
Mrs. Isabelle Magnusson	Gorham '29	8
Jeanette Saigh	Keene '35	1

You will notice but one change in this year's staff. Miss Gilmour resigned to accept appointment in another school. Miss Saigh with a year of experience in another district was secured to fill the vacancy at South Kingston. In spite of the fact that we now have two with only a year of service each, the average for the town approaches eight years—not by any means an insignificant consideration pointing to desirability and retaining power.

PUPIL ACHIEVEMENT

The following table will show how the pupils of Kingston were classified by grades according to May, 1936, test scores:

	<i>Reached or Bettered Grade</i>	<i>Below Grade</i>
Grade I.....	15	0
Grade II	19	1
Grade III	16	1
Grade IV	11	0

Grade V	16	3
Grade VI	16	4
Grade VII	11	1
Grade VIII	13	0

This above represents less than 8 per cent below grade, which is indicative of good grading and pupil placement. Some districts are faced with 20 and 25 per cent below grade, and yet with no alarm. I see no cause of fear in the above figures. In fact, it should be treated as an indication of pupil ability and proper instruction.

I am pleased to list the following pupils as perfect in attendance during 1935-36 and to include the parents names as well:

Pupil	Parent

FINANCES

A comparison of school costs of this Union should be of interest to you:

PER PUPIL COSTS 1935-36

	Per Pupil Cost	State Aid Per Pupil	1935-36 Net to District	1932-33 Net to District
Brentwood	\$ 57.91	\$22.16	\$35.75	\$38.33
Danville	73.21	27.98	45.23	39.16
E. Kingston	84.53	30.75	53.78	84.73
Epping	48.84	20.41	28.43	34.12
Fremont	56.09	15.35	40.74	51.14
Kingston	66.08	19.95	46.13	48.16
Sandown	74.21	33.55	40.66	44.86
South Hampton	116.77	44.07	72.70	82.56
Median	77.93			

You will notice from this tabulation in the net figure column the effect of State Aid upon your costs. The amount for Kingston cannot be considered excessive and shows a reduction over the net of three years ago.

CURRENT COST OF PUBLIC EDUCATION

Per \$1,000 of equalized valuation 1935-36, for some of the 242 Districts in the state including those of this Union.

	<i>Local Dist.</i>	<i>State Aid</i>	<i>Tot. Elem.</i>	<i>High School</i>	<i>Other Current</i>	<i>Tot. Current</i>	
1 Monroe	\$ 1.70		\$ 1.70	\$.47	\$.09	\$ 2.26	Lowest
8 Hampton	3.47		3.47	1.35	.47	5.29	
106 Fremont	5.59	\$ 2.28	7.87	1.75	.81	10.43	
122 Derry Town ..	5.63	.27	6.80	3.47	.88	11.15	Median
171 Kingston	5.82	2.82	8.64	4.42	.86	13.92	
173 Brentwood	5.10	3.95	9.05	3.86	1.02	13.93	
184 Epping	5.11	4.30	9.41	3.60	1.27	14.28	
200 East Kingston	6.29	3.75	10.04	3.90	.96	14.90	
208 So. Hampton	5.74	4.36	10.10	4.28	.96	15.34	
217 Sandown	5.12	5.91	11.03	3.80	1.24	16.07	
226 Danville	5.85	4.87	10.72	6.13	1.14	17.99	
234 Westmoreland	5.80	8.43	14.23	4.21	1.51	19.95	
242 Alstead	10.35	4.69	15.04	12.45	2.28	29.77	Highest

If you compare your "local district cost" with the "high school cost," you will notice that the large number of high school students from Kingston is reflected there. This comparison will show you that as far as the actual local district charges against taxation is concerned, the high school cost approaches very nearly that of the elementary. I am sure you must be impressed with the favorable position—near State Median—which your district occupies.

MUSIC

An innovation has been started this year in the field of music teaching in the schools. Prior to this year three districts of this Union had supported a music teacher and supervisor. The other five districts relied upon the varying talents of their teachers to carry on the program in this important phase of cultural and leisure-time attainments. So, with a desire to see the development and coordination of these efforts, the State Department of Education offered to finance the salary of a music teacher in all state-aided districts provided a whole Union would finance the necessary traveling

expense. This offer was placed before every Board in this Union and accepted this Fall. The organization was completed and became effective November 30, 1936.

In the short time that the plan has been in operation, we find a hearty response to its effectiveness and value. The schools in which the plan is not new are pleased for its continuance and those in which no supervision formerly taught are enthusiastic for the innovation. I am happy to say that I believe this plan for music instruction of this type is the most important development we have accomplished during my tenure in this office. A warning to all concerned was given that the expectation of results need not be great for the remainder of the year but our fondest hopes have been exceeded by the accomplishments to date.

Financially, this arrangement has proved a help to those districts in which a supervisor had been employed. The salary proposition for which they are responsible now becomes a part of State Aid whereas, they formerly bore the whole cost. The five new districts have added but a small charge for traveling expense, the salary being no charge whatsoever.

CONCLUSION

I am again pleased to report the genuine cooperation of a conscientious teaching staff and the sympathetic guidance of an interested School Board. The work of the year has been both pleasant and profitable for pupils and school officials.

Very respectfully,

HAROLD C. BOWLEY,
Superintendent of Schools.

February 5, 1937.
